Food: Radix or Back Country – Freeze Dried Food is available from Southern Adventure or H and J Smiths Outdoor Department– both in Tay Street. The Dinner meals – need to be lightweight especially.

Cheese, crackers, salami, snack bars, dried fruit, noodles are some suggestions for lunch. (Lunch on the Friday , the second day – will need to be a packed lunch – we may not have access to cooking while on the day tramp).

Breakfast could be porridge/oats/weetbix or a Radix breakfast could be purchased.

FYI Radix is rumoured to taste better than backcountry and has options for special dietary requirements
