STUDENT LEADERSHIP

Applications are encouraged from Year 12 boarders each year for the positions of Head Boarder, Deputy Head Boarder and Enwood Prefects.

These roles give students the opportunity to develop their leadership skills while representing the student community at Enwood House throughout the year.

This student leadership group is supported by a group of year level representatives known as the Enwood Executive, who are voted for by their year level. They meet regularly as a group to make plans, provide feedback, voice concerns etc.

The 'Student Voice' from these meetings allows a more diverse view of life at Enwood House.

USE OF PRIVATE CARS

The use of private cars for Year 12 and Year 13 students is permitted, please check the vehicle policy for guidelines.

Enwood House Parent's Association (EHPA) is a committee made up of Parents and Caregivers of students who board at Enwood House. They meet once a term and their role is to support Enwood House and its staff.

The AGM is held in the second term each year, to elect positions such as President etc. New members are always welcome.

Funding via EHPA

Each boarder's family is charged a yearly amenity fee and subscription. This is set annually by the Enwood House Parents' Association (at present \$250.00 a family per year).

The EHPA decide how the money from these two funds is distributed based on requests from the Director of Boarding and the boarders.
